Subject: Water Issues - Forty Love, Chapin, SC

I have lived in Forty Love for several years. The quality of the water we have received from Carolina Water Services is beyond bad. I have to wash our clothes numerous times with many different odor eliminators in order to keep them from smelling like mildew. I am afraid to allow my family to drink the water even though we are told it is safe. I will be glad to provide you with a picture of bath water drawn in our garden tub the very day that a sign was posted that it was safe to drink. I was afraid to even stick my toe in it, much less my body.

Tubs, showers, toilets all have to be scrubbed with harsh chemicals to keep them from being permanently stained. Mildew grows quickly and swiftly in these places.

After they have shut the water down to "purify" the air in the line when you begin to use it after this surely has to be wrecking havoc on the pipes and faucets in the home.

I STRONGLY OPPOSE A RATE INCREASE FOR CAROLINA WATER.
